Rev Form Component Theming Overview

Rev's **Form Components** (detailed in the quick reference table below) are styled with your branding colors. All components and colors are displayed on one test page, named SHOWCASE. This style guide details the designs, colors, and formatting options that are available to you as of Rev v7.26.

There are two sets of form components in Rev.

Global Form Components

Global components are themed across Rev and include the following:

1. CK Editor
2. Categories and Tags
3. Insight/Multi Select
4. Spinner
5. Date picker

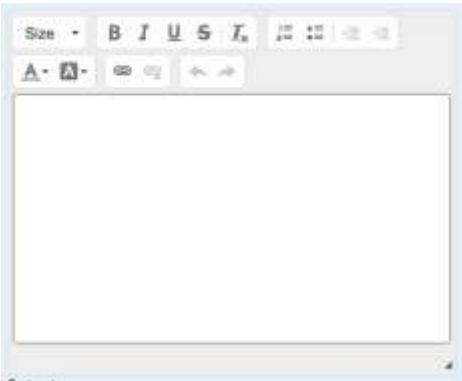

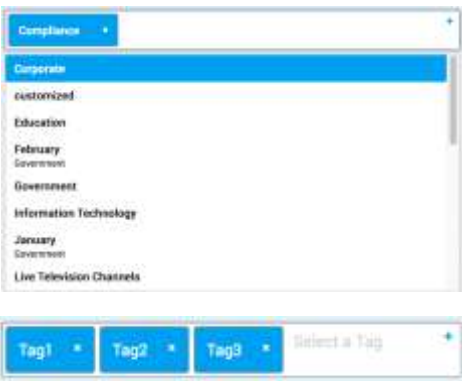

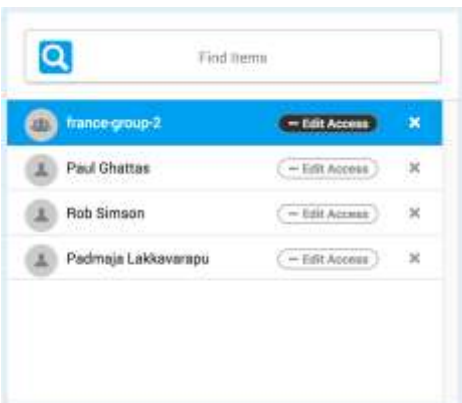

Non-Global Video Form Components

These components are themed only specific to Video pages. They include:

1. UI- Select
2. Video Settings menu
3. Tabs
4. Text Field
5. Select Option
6. Buttons and Toggles
7. Checkbox and Radio Button
8. Error Message, Required Fields, Invalid Submissions and Warnings
9. Type Ahead
10. Progress Bar
11. Ratings
12. Text Area
